Revised August 2010

## Welcome!

We are so glad you are participating in training to better equip you to reach and disciple children in your community for Christ. Millions of leaders like you are receiving similar training around the world.

So many children are still waiting for someone to help them know and follow Christ. Imagine if, as a result of this training, we each work in our own regions to reach and disciple 10, 20, 50, or more children for Christ. What a change this will bring for children, their families, and the community!

## How to Use this Personal Training Record

This booklet is for your own personal use. It will help you to keep track of CORE training you have received, as well as NEXT STEP workshops or seminars you might experience that meet the 1 for 50 Vision for training. (You may receive this training from a variety of source: local church organizations, etc..)

The 1 for 50 Framework starts at the center with the heart of the leader and moves outward to the three primary tasks of nurturing, reaching, and discipling. From there, it extends to the ministry contexts of engaging families and building the kingdom.

Please check with your instructor or visit [www.1for50.net](http://www.1for50.net) for more details.

If you are finished with this booklet, or have already received training in all these areas at an earlier date, we encourage you to share what you have learned with others. In addition, you may be interested in pursuing NEXT STEP or CERTIFICATE training options.

## What if you still need training?

If you find that you have many gaps or want additional training:

- 1) Check with local networks of children's leaders, local churches, and/or ministry organizations to find out if training is being offered by others in your region.
- 2) If you have access to the Internet, visit [www.1for50.net](http://www.1for50.net) to be connected with free, downloadable training resources, and/or to watch training courses online.

## It's Time to Reach & Disciple Children!

Ultimately, the purpose of 1 for 50 training is not to help you finish this booklet. It's to help you reach and disciple more kids. Have you received training? Then it's time to reach and disciple children!

**Your Father in heaven is not willing that one of these little ones should be lost.**
