

You are invited to attend the

1 for 50 Global Training Summit

September 19-20, 2010

Beirut, Lebanon

After a year of global listening and development, the 1 for 50 Initiative is entering the exciting Pilot and Launch stage. The Global Training Summit aims to prepare participating organizations, networking facilitators and global trainers for initial implementation of the 1 for 50 Initiative around the world. (See the 1 for 50 Vision page for an introductory overview of the 1 for 50 Initiative.)

Who should attend?

Any group or individual already involved in global children's ministry training, with a desire to participate with the 1 for 50 Initiative around the world.

NOTE: Visit www.globalchildrensministry.org to learn more about the Global Children's Ministry Conference to be held September 16-18, 2010 just prior to this Summit.

What if we can't make it?

The current plan is to offer two Global Training Summits each year. The next events will be scheduled in 2011. Dates will be announced later.

What will we do?

VISION: Present the 1 for 50 Vision and Strategy and prepare us all to share it with others.

- Provide history and orientation for groups and individuals new to 1 for 50.
- Present/provide vision tools for use by all participating groups and individuals in their 1 for 50 activities.

TRAINING: Prepare for 1 for 50 training activities.

- Learn about the 1 for 50 training framework.
- Learn about requirements and options for participation as a training organization or individual.
- Be challenged by presentations and information we need for relevant ministry to kids in this modern, changing ministry world.
- Consider global issues that will directly influence 1 for 50 activities and effectiveness.

NETWORKING: Prepare for 1 for 50 networking activities at every level

- Learn more about *who* is already doing *what* and *where* they're doing it (4/14 Global Movement, Global Children's Forum, VIVA Network, Kids Games, etc.)
- Learn additional networking and partnership skills to help ourselves and emerging children's ministry networks work together more effectively.
- Get to know each other!

SHARE RESOURCES: Prepare to find and share resources needed to support 1 for 50 activities.

- Hear from those in attendance about their resources, ideas, tools, programs and approaches to children's ministry training.
- Become familiar with dozens of websites, tools and resource-sharing opportunities to support 1 for 50 training activities around the world.

How do I sign up?

1. Check out the schedule and details on the registration/application.
2. Consider whether you (or someone else you know) would be qualified to participate in this global children's ministry training initiative. If so, please plan to join us.
3. Fill out the attached registration/application and return it with your payment.
4. If you can't join us, consider adding your name to our "interest group" e-blast list for regular updates.
5. While we want as many people as possible to participate, there are a limited number of spaces for this first event.
6. Let us know if you would like to plan to join us via Skype for portions of the event so we can work out the details.

Equipping one outreach and discipleship leader for every 50 children around the world

1 for 50 is a children's ministry training and networking initiative serving the Global Children's Forum, the 4/14 Global Initiative, VIVA Network and other movements working to reach and disciple children for Christ.
