

# Qatar

## Introduction to QATAR

THE STATE OF QATAR has been ruled by the same family for over a century. Located on a small peninsula jutting from Saudi Arabia into the Persian Gulf, Qatar boasts the second-highest per capita income in the world, mainly due to oil and natural revenue.

### Risk issues impacting children:

UNICEF does not currently offer children at risk statistics specific to this country. Below is children at risk information regarding many nations in this region, and all statements may not be directly applicable to this nation.

- Abuse of women and children, low minimum age for marriage and quality of school curricula are issues of concern, though statistics are limited on the subject.
- Injuries and accidents are the leading cause of death for children.
- There are large disparities in wealth distribution.

<b>Per million:</b>	12.56
<b>National Christian workers/pastors:</b>	30
<b>Per million:</b>	37.68
<b>Number of churches/congregations:</b>	104

## Children's ministry in QATAR

*Specific children's ministry information has not been provided for Qatar. The following information regards general children's ministry in the Middle East, and may not all be applicable to this nation.*

**Overview:** • In more open countries, children's ministry can be vital, and churches, parents and para-church organizations see its importance.

- In some countries, leaders have been mobilized and trained by organizations to conduct Bible clubs in homes and churches, and resources are available. There tends to be far fewer workers than there are children to be reached.
- Most nations in the Middle East are predominantly Muslim, and conversion to Christianity is discouraged. In some countries, converts may be rejected by their families and communities, or face arrest or execution.
